ARTHUR MESSINA
Managing Director

For over 30 years, Arthur Messina, Founder and President of Create-A-Card, Inc, has been successfully running his Marketing and Printing company, almost exclusively to the chauffeured transportation industry. It has evolved from a specialized printing company in 1986 into what is, today, the industry's leading full-service marketing strategy and solutions provider. Mr. Messina has taken a leadership position in Chauffeured ground transportation, and as a featured speaker at many industry events – including national, international, and regional association

programs – and as a published author, has built a reputation as an industry innovator and the preferred partner for marketing leading transportation companies. Year after year, Messina's work wins an outstanding number of industry awards and LCT Magazine also tagged him as a "Marketing Guru".

In 2012, Driving Results was founded as the result of many clients asking for a platform to discuss their businesses, brain storm, share best practices and network with other companies in a small group atmosphere. Mr. Messina put together several groups to fulfill this need and presently has over to 75 members in his various groups. Mr. Messina facilitates these meetings as Managing Director, based on the premises of his 3 principal values... Build relationships, Earn trust & Create business. He is known to be the glue that keeps everyone together.

Mr. Messina is an innovator, constantly bringing new ideas to the table for his clients. He brought the first Webinar to the industry in 2009, and distributes a yearly affiliate and marketing calendar since 2010, with many important industry dates and events.

Mr. Messina also gives back to the industry by holding the position as Advisory Board member with the Minority Limousine Association of America (MLOA). He

also served as a Vendor member from 2008 to 2012 on the National Limousine Association board (NLA), to offer his expertise in the field of Marketing and Advertising. This was a non-paid position and volunteered his time to this Association.

Mr. Messina is an affable, focused businessman who brings a unique, and entertaining perspective to chauffeured ground transportation marketing. He enjoys creating relationships with his clients, helping them market their companies to its fullest potential and forming many friendships along the way. He has been married for 30 years and during his free time, Arthur enjoys playing golf, skiing, traveling, and watching his children enjoy their various interests.
