

Driving Results is feeling thankful, by Arthur Messina

In our little world of Sedans, Limousines, Sprinters, Buses and Motor Coaches...
Ponder these thoughts...

You allow your clients to use BOOK.LIMO and then you are CHOSEN with PAYMENTS, this is because you want to DRIVE PROFITS. You can also take ADVANTAGE of FUNDING, when you teach you chauffeurs the PAX system and this is done in a ZIP WHIP.

Many of you are going GRECH these days to ACCESS your COMMERCIAL CAPITAL, this will make everything STERLING. If you set up DRIVER SCHEDULE then you can move all of you AUDI's and BATTISTI's around TOWNE. Don't forget your LIMO INSURERS or you could end up with a lesson from the LMC GROUP.

When you see WORKFORCE DEVELOPMENT GROUP, Randi will make sure you hear her at a LCT or CHAUFFEUR DRIVEN show.

This is all possible if you CREATE-A-CARD with Arthur Messina because he will make sure that you are DRIVING RESULTS or you won't be able to use your LIVERY COACH.

Thanks to all the sponsors that have supported DRIVING RESULTS and all their members over the past 5 years.
